The Past, Present, and Your Future?

Pueblo Viejo Revitalization Project Community Workshop No. 2

Tuesday – April 28, 2009

Time: 6:00 pm to 8:00 pm

Location: Boys and Girls Club
85350 Bagdad Avenue
Coachella, CA 92236

**** Light refreshments provided!**

Over the last several months, the City of Coachella has been working hard to prepare a community-based Revitalization Plan for the area of Pueblo Viejo. The Revitalization Plan will guide future land-use development decisions and provide the implementation framework from which enhancements will be made.

An initial community workshop was held on January 27, 2009 to discuss the project scope and timeline, as well as to obtain stakeholder input on specific improvement concepts. The City genuinely appreciates your feedback and looks forward to your continued participation during the upcoming April 28th workshop!

For more details, please contact **Luis Lopez, Principal Planner at 760/398-3102.**

A quick project overview will be provided again during the April workshop, so please do not hesitate to attend in case you missed the first event!
