

SB 375 and Southern California: Climate Change, Economy and Infrastructure – Policies That Shape Our Future

Mark your calendars for the upcoming summit on SB 375 and Southern California: Climate Change, Economy and Infrastructure – Policies That Shape Our Future. This leadership summit aims to create collaborative solutions that shape the future of Southern California. It is designed to address key issues and opportunities facing elected local and tribal officials, business leaders, non-governmental organizations, and those interested in comprehensive regional planning to improve Southern California's quality of life.
